

BA PUMPS & SPRAYERS

TSX Series

BUILT TO PERFORM

TOUGHEST ON ANY TERRAIN

bagrouppaustralia.com.au

Proudly Locally Made for over 30 Years

All our sprayers are designed inhouse and manufactured from the ground up in Cambridge, New Zealand and Geelong, Australia. We believe our continued dedication to manufacturing locally, along with a focus on quality, strength and innovation guarantees our customers value for money and a sprayer that exceeds their expectations for years to come.

Genuine Honda engine powering Bertolini Diaphragm Pump

Integrated hand wash tank for user convenience and job safety

Innovative 400L tank design to provide a low centre of gravity for added stability

Modular Smart-Fit accessory designs for quick installation and easy use

Bertolini pumps specifically suited for weed control and liquid fertiliser treatment

Moulded tank calibration strip, with sight glass level indicator for clear visibility while operating

50mm tow hitch or 1 7/8 for hassle-free towing

Smooth riding knobby ATV tyres with integrated mudguards for superior grip and cleaner travelling

Fully hot dipped galvanised, heavy duty RHS chassis enhances product longevity

Sump protection plate to protect sump as well as deflect grass and debris from the drain tap

Large suction well and drain tap to easily achieve complete tank drainage, and cleaning

TSX400-2030SP

The TSX400-2030SP is designed for lower pressure spraying jobs, perfect for spraying around the sheds, tracks and fence lines. Supplied standard with BA's Spot 300 series spray gun and 30 metre EZI-Reel hose reel. Add an optional Smart-Fit XP BoomJet or Smart-Fit Boom for thistle spraying. The POLY pump is ideal for liquid fertilisers.

TSX400-330SP

The TSX400-330SP is designed for larger farmers who need a high pressure gun spraying unit for large brush weeds. Supplied standard with BA's Spot 300 series spray gun and 50 metre MAXI-Reel which can easily be upgraded to 100 metres. Add an optional Smart-Fit XP BoomJet or Smart-Fit Boom for thistle spraying.

TSX400-330-QR100

The TSX400-330-QR100 is designed for farmers who want the convenience of a 12 volt retractable hose reel while spraying large brush weeds.

TSX400-330HP

The TSX Hort Pack is perfect for small tree or vine crops. BA's 4 x 4 Hort Boom features 4 short barrel nozzles per side and are adjustable from a cone to a straight jet and mounted on an adjustable ball for easy targeting into the crop. Optional electric boom shut-off, 5 x 5 vine boom and long barrel nozzles.

UPGRADE YOUR TSX WITH SMART-FIT ACCESSORIES

Easily customize your TSX with our range of modular SMART-FIT accessory designs for quick installation and easy use.
